

Film Discussion

Having seen the films, the group then meets on the fourth Friday of each month at the Peninsula Club for what I'm told is a fairly lighthearted discussion of the films they have seen; either with the group, or individually if someone has seen a film they particularly enjoyed. On alternate months other films (on DVD) are screened at these meetings.

The group is led by Patricia Litherland, someone who is well known to U3A members. Since joining our group some ten years ago, at Chris Doorman's suggestion, she has been Treasurer and Vice-President, and, to my knowledge, she is currently a participant in at least four different groups.

If you enjoy 'going to the movies' and would like to join others with a similar interest, then you are most welcome to call one of the three convenors. Their names and contact details are shown in the group listing which appears below.
